To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and is on that account, if no other, the best medium for advertising.

## Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

WE republish, to-day, the articles concerning the Vermont Central Railroad, which appeared in our issues of Monday and Tuesday, as we were unable to supply all who called for copies.

THE ACADEMY.—The several classes in the Academy building are making preparations for a grand exhibition at the close of school, which will occur just previous to the holidays. We understand that visitors will be assessed a small admittance fee for the purpose of defraying the expenses, which will be a greater inducement for the friends of the school to attend.

SUICIDE.—Mr. A. Sidney Olin, of Shaftesbury, committed suicide Tuesday morning by cutting his throat. Mr. Olin was a relative of Judge Olin of the Supreme Court of the District of Columbia, and was a worthy man. No cause is assigned for the act.

THE LAKE STEAMERS.—The Canada made her last trip Wednesday morning, and has gone into winter quarters in Shelburne harbor. The Adirondack went into winter quarters this morning. The Oakes Ames will run the ferry between Burlington, Port Kent, and Plattsburgh. The Montreal will bring freight from W. Itell as long as the ice will permit.

MESSRS. P. H. & F. W. MYERS, of Rouse's Point, N. Y., have contracted for a handsome marble monument to erect over the grave of their father, the late John Myers, Esq. The cost of the monument will be \$100.

## Vermont Central Railroad Management.

Under this management is to be considered the line of railroad from Belows Falls, Vt., to Waterloo, Canada, Burlington, Vt., and Rouse's Point, N. Y.,—a distance of 370 miles. The headquarters of the road are at St. Albans.

Lawrence Brainerd, Joseph Clark, J. Gregory Smith, Benj. P. Cheney, Robert F. Taylor are the Receivers and Managers. Gyles Merrill, General Superintendent; H. H. Locklin, Assistant Superintendent. Eugene Putnam, Managers' Secretary. Samuel Williams, Treasurer. Abner Forbes, chief clerk.

Paymaster's Department—George G. Hunt, paymaster; William H. Hunt, clerk.

Passenger Department—M. G. Elliot, general ticket agent; H. C. Lapoint, V. W. Halbert, A. C. Wardwell, clerks; with the following conductors: E. G. Pierce (since the road was built), H. Chamberlin, A. Dow, J. C. Irving, W. B. Viall, H. K. Bush, Chas. Rollo, George C. Averill, L. C. Barney, R. H. Barney, Geo. L. Barney, J. G. Somerville, and A. C. Stonegrave.

Freight Department—J. W. Hobart, master of transportation, A. Tinker, Wm. Leard, clerks, with several subordinate clerks.

Telegraph Department—C. F. V. Randall, chief operator, James Roche, jr., and E. N. Lall, operators.

Mechanical Departments—J. M. Foss, Master Mechanic, Azro Kent, foreman of locomotive repairs; Ed. J. Eastman, foreman of locomotive building; P. Hackett, Foreman boiler shop, R. Camp, Managing Clerk, Milton Sessions, Manager and Henry Sessions, Assistant Manager of car shops with J. P. Aldrich Chief Clerk. J. F. D. Baker Foreman of Blacksmith shops. The Master Bridge Builder is C. H. Clark, Track Master, William Hatch, George B. Warners, and A. B. Ladd.

St. Albans Depots and Yard—Geo. L. Stone, General Agent, G. C. Appleton, Ticket Agent, L. R. Kibby, Freight Agent. In the absence of the Superintendent and Assistant Superintendent, Mr. George L. Stone directs the movement of the trains upon the road generally. Mr. Ambrose Arnold of St. Johns, P. Q., has the Local Superintendence of the road from St. Johns to Waterloo.

Something over 1,000 men are constantly in the employ of this management, and Mr. Hunt, the Paymaster makes his "grand rounds" in his splendid car once a month and distributes among willing receivers above \$67,000.

Some 18 or 20 freight and passenger trains meet and pass each way upon this line of road daily, and the amount of business done is immense. From a very small beginning, when the Managers were troubled to obtain enough money from the receipts of the road, to pay their laboring men, and oftentimes were compelled to draw upon their private funds for this purpose, the road has increased in its business, until it is now reckoned in the first class of the substantial and prosperous roads of New England. This prosperity is mainly due to the very able and judicious management of its present board of Managers. The equipments of the road, its motive power, passenger and freight cars and every thing connected with it, are unrivaled in New England. May the road prosper, because, upon its prosperity, greatly depends the welfare of St. Albans.

## Personal.

Ex-Sheriff Soule has removed to Fairfax, and Sheriff Place has taken possession of the jail house.

Guy Chaplin will dedicate his new hotel at North Troy, with a ball on the evening of the 31st of December.

Important business will keep Ex-Gov. John Gregory Smith in Washington a good portion of the winter.

Gen. Grant has sold his residence in Washington to the Mayor of that city.

The new Governor General of Canada took the oath of office on Wednesday.

Bishop Beckwith is now a resident of Macon, Ga.

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S IMPROVED (new style) HAIR RESTORER OR DRESSING, (in one bottle.) Price One Dollar. Every Druggist sells it.

"Their name is Legion," may be applied to the innumerable diseases to which the skin is subject. It would be well for those who are afflicted with apparently incurable ulcers, old sores, erysipelas and eruptions, to use Grace's Celebrated Salve, which cures in a very short time, cuts, burns, scalds, flesh wounds, &c.

CALISAYA BARK.—It is said that Messrs. Drake & Co., (proprietors of the Plantation Bitters) are the largest importers of Calisaya Bark in this country, and that, with the exception of an occasional sale, all they import is used in the compounding of their celebrated Plantation Bitters,—to which they undoubtedly are indebted for their wonderful health-restoring properties. As a Tonic and Ap. etizer, they are not surpassed, and we cheerfully recommend them. All first-class Druggists keep them for sale.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

One of the few things that the North and South will probably ever fully agree upon is that "Barrett's Vegetable Hair Restorative" is not only the best preventive to the hair falling out, but also the finest dressing ever before the public. It richly deserves the "Silver Medal" awarded by the New Hampshire State Fair.—*Dubuque Times.* d&w.

Renne's Pain-Killing Magic Oil is sold by most of our Druggists and Merchants, and has become a standard article in the market. This position it has won by its great merit. It cures pain, and the people like it and will have it—one man says his wife would not be without it if the bottles cost \$100. d&w.

## DIED.

In East Georgia, Nov. 25th, of paralysis, Mr. Wm. Smith, aged 86 years.

On the morning of Nov. 19, of cramp, Thomas W., son of Warren P. and Mary A. Nash, aged 2 years and 6 months.

In Northfield, Nov. 24th, of dropsy, Mrs. Angeline Stiles, in the 73rd year of her age.

Dearest mother than last left us, Here our loss we deeply feel, But 'tis God that has bereft us, He can all our sorrows heal.

Peaceful be thy silent slumber, Peaceful in thy grave so low; Thou no more wilt join our number, Thou no more wilt sorrow know.

WHEAT.—The market for flour has become quite firm, with light receipts and a good demand from the Eastern and local trade. Prices of low grades are firm and higher, with a stock very much reduced. The sales of western superfine have been at \$5.75 a 6.25; and common extras at \$6.25 a 6.50 per bushel, with sales of some 10,000 lbs., at these figures, and stocks of both superfine and extra are now quite reduced. Medium extras and bakers' brands have been selling at \$7.75 a 8; white wheat Ohio, Indiana and Michigan at \$10 a 11.75; Illinois at \$10 a 13, and St. Louis at 10 a 14.50 per bushel.

PROVISIONS.—The pork market is quiet, and the trade confine their purchases to small lots, in an expectation of increased supplies and lower prices. Sales of prime at 23 a 24 mess at 27.50 a 29; and clear and extra clear at 30 a 33 per bushel. Beef ranges from 15 a 18 for mess; 18 a 20 for extra mess, and 21 a 23 for family. PRODUCE.—There is very little change in the butter market. Choice grades are scarcer, but sales are quite difficult to make at recent extreme prices. We quote New York and Vermont dairies at 55 a 56c per lb., for good and choice, very choice fall at 50c, and common and fair at 45 a 48c per lb. as to quality.

In cheese very little change. Market firm and demand good at rather improved prices. Sales at 15 a 17 1/2 for factory, white. Beets are not quite so firm, the sales ranging from 3 1/2 a 4 for blue pod, yellow eyes, and extra pea. Canada Peas are selling at 1.02 a 1.22 per bushel, as to quality. Potatoes are not so firm, with sales at \$8 a \$1 per bushel. Eggs range from 38 a 40c as to quality.
